NO. 4:11-CV-542-A

ORDER

The court cannot find in the state court records pertaining to the trial proceedings and state court habeas application of petitioner, Lisa Ann Coleman, any record of the final ruling made by the Texas Court of Criminal Appeals on petitioner's state court habeas application. So that the court will have a complete record pertaining to the state court habeas application, the court is directing the attorney for respondent, Rick Thaler, Director, Texas Department of Criminal Justice, Correctional Institutions Division, to file by January 3, 2012, with an appropriate cover document whatever instrument or instruments reflect the final ruling of the Texas Court of Appeals on

petitioner's state court habeas application.

Also, the court has noted that the document filed December 22, 2011, in the above-captioned action by respondent titled "Respondent's Answer With Brief in Support" is not accompanied by a table of contents or an index of authorities. Rather than to unfile such document, the court is directing respondent to file by January 3, 2012, with an appropriate cover document, a cover page, table of contents, and index of authorities that can be used with such document.

THE COURT SO ORDERS.

SIGNED December 27, 2011.
